

## Applications Chemist – Clinical / Forensics

### Greater Philadelphia, PA

You will be working as a Specialist promoting a range of chromatography consumables (SPE / HPLC) into the Clinical & Forensic testing markets. You will work to build on existing relationships by providing technical support to key customers, both remotely and on-site throughout the United States (30% travel). You will assist in developing new application notes, and present these to both customers and internal staff.

Exemplary communication and interpersonal skills are paramount. Applicants must also have a strong background in chromatography, either HPLC or GC, along with an excellent understanding of sample extraction techniques (e.g. SPE). He/she must have 3+ years of experience working within a Clinical or Forensic lab. Salary is flexible based on your level of experience.

### APPLY NOW!

If this role is of interest to you, and your background is suitable, please email your resume in WORD format to [eberner@VRS-US.com](mailto:eberner@VRS-US.com)
